ROAD CHOICE® FORWARD LIGHTING

ROAD CHOICE® FORWARD LIGHTING

Fare designed to deliver superior illumination, durability, and safety for heavy-duty applications.

Engineered for a precise fit and easy installation, these headlights and fog lights enhance visibility in all driving conditions.

Built with advanced lens coatings for long-lasting clarity and tested for vibration resistance, Road Choice® forward lighting ensures dependable performance mile after mile.

FEATURES AND BENEFITS

- SAE/DOT certified with added photometric inspections
- FMVSS108 compliant for proven performance, safety, and reliability
- Vibration-tested on low and high frequencies for durability
- 5-year lens hardening paint for enhanced resistance to road debris
- 5-year UV resistant lens coating to prevent yellowing and fading
- Uniform beam patterns for improved road visibility
- IP65 Rating to block moisture and dust, extending product life
- Engineered for easy installation with a precise, factory-style fit
