

# JACKS

**ROAD CHOICE® JACKS** are available in a variety of sizes and are ideal for auto and truck use. Each one meets the highest quality and safety standards.

**ROAD CHOICE HYDRAULIC BOTTLE JACKS** come in 12-, 20- and 32-ton capacities in standard height and low-boy versions. These powerful jacks are ideal for the heavy-truck industry and make large loads easy to lift. Road Choice Bottle Jacks are constructed of high-grade steel and built to exact standards for quality and durability.

- Precision hydraulics for steady lift and lowering
- Forged and grooved top cap to prevent slippage
- Heavy-duty steel body for added strength
- Extension screw – extra height if needed
- Extended handle length for convenient use
- Wide rugged base for added stability
- Compact and easy to store
- Convenient carrying handle
- Easy to position
